Property Overview

PartnersCRE is proud to present for sale over half an acre ideal for **13 Townhouse** units built by Right (including ADUs) in a **low density neighborhood** consisting of single family residences.

A Developer may also choose to use **SB684** for Ministerial Approval for a Tract Map or a Buyer can choose to use the new CHIP Program as the property is in an OC-1 Opportunity Corridor Incentive Area, which allows for higher density and up to 5 stories of height.

Situated at **10810 Woodley Ave.**, abutting a wide Government-owned parcel running along the freeway, the property currently features a **vacant SFR** on a **flat and generous 26,197 SF lot** in the desirable neighborhood of **Granada Hills**.

Zoned RD3, with the benefit of **Tier 2 SAFMR** (currently at \$3,256 for a 2 Bed and \$4,136 for a 3 Bed) the property is offered at **\$55 per square foot of land**, combining zoning flexibility, strong local rents, and land to spare!

This quiet, family-friendly neighborhood has easy access to parks, restaurants, markets, is a hop to the 118 freeway (elevated and separated by trees) and a skip to the 405. The area is designated a **High TCAC** Opportunity Area and is **not subject** to RSO. A great opportunity!

Section 8 - SAFMR - Voucher Payment Standards

SAFMR payment standard schedule by ZIP code

Effective August 1, 2025 for New Contracts

In the Housing Choice Voucher (HCV) Program, payment standards are used in the calculation of Housing Assistance Payments (HAPs) that the Housing Authority pays to the owner on behalf of the family leasing the unit.

Payment standards are the maximum monthly assistance that the Housing Authority will pay on behalf of the family.

The payment standard for a family is the lower of:

- Payment standard for the family's unit size indicated on the voucher; or
- Payment standard for the size of the unit leased by the family.

Regardless of its location, or whether the unit is providing a reasonable accommodation, the unit's rent can never be higher than the comparable rents determined by HACLA.

The landlord's asking rent for the unit must be supported by comparable rents within the area. Regardless of the location, the rent for the unit can never be higher than the comparable rent determined by the HACLA/ third party vendor regardless of the VPS.

There are no area exception rents at this time.

FAMILY SHARE REMINDER: At the starting date of the initial Housing Assistance Payments (HAP) contract for a unit (lease-in-place or otherwise) if the contract rent is higher than the appropriate VPS, the family share cannot be greater than 40% of the family's adjusted monthly income. This is a statutory and regulatory requirement. There are absolutely no exceptions and HUD headquarters (D.C.) cannot grant a waiver on this matter.

LAHD OCCUPANCY MONITORING: NEXT STEPS

Congratulations! You've completed your covenant. What's next?

1. Read your covenant for specifics

Your covenant specifies the rent that you can charge, tenant household income limits, how many and which units are restricted, term and how to maintain compliance with the City.

2. Contact the City BEFORE you expect to obtain your Certificate of Occupancy

The Owner must contact the City within 120 days of issuance of a Certificate of Occupancy or Certificate of Completion. **Prior** to renting any restricted unit, the Owner must request the City to certify the eligibility of any prospective household by submitting the required **Income Certification Application Package**.

When you contact the City, we will provide:

- a. Income Certification Application Package
- b. If needed, training to complete the Application Package. Trainings are provided by **appointment**
- c. Current income & rent limit schedules

CONTACT US

Email: lahd.occmonitor@lacity.org
Phone: (213) 808-8806

3. Advertise

Your covenant requires you to advertise the affordable units at lahousing.lacity.org to notify the public on how to apply for restricted units. For questions about advertising, email lahd.occmonitor@lacity.org.

4. Select prospective tenants

The Owner makes the selection of an Eligible Household by submitting the required Application Package and required documents to LUcert@ufbahc.com. Our contractor, Urban Futures Bond Administration (UFBA), reviews Income Certification Application Packages. The Owner is responsible for verifying the Households' eligibility using their employment verification, paycheck stubs, bank statements, benefit statements (SSI, SSA, EDD, CalWorks), tax returns and other income and asset documentation. Failure to rent to an Eligible Household will result in the Owner paying the City all rents received for each day of occupancy by unqualified tenants.

5. Keep your records and report annually

After tenants are approved for income eligibility, and the tenants move in, keep those approvals on file. You will be required to submit an annual report to UFBA to ensure your approved tenants have remained and their rents are within the program limit. UFBA will send you an introductory letter when it is time to submit your first report. Another requirement of your covenant is an annual monitoring fee. The City will send you an invoice every year.

Tenants with Housing Choice Voucher (Section 8) or other rental subsidies

Tenants with rental subsidies may reside in restricted units so long as the tenant's portion does not exceed your covenant's maximum rent limit. The project can collect a monthly rent from the subsidy that is higher than the Covenant's rent limit and remain in compliance with its covenant. *Ask how tenants with a rental subsidy may waive the Income Certification requirement.
